MEMORANDUM FOR: Deputy Director for Operations  
FROM : Senior Review Panel  
SUBJECT : Meeting with DDO Division Chiefs

1. In order to improve its understanding of the Community intelligence process, the Senior Review Panel would like to meet with some of the DDO Division Chiefs. Our primary purpose is to discuss the interaction between the DO and NFAC in the collection and production functions. The Panel has already met with [ ] Chief of the DDO Evaluation Staff, who gave us a valuable overview of the DO and how it relates to other collection efforts.

2. We would like to follow up the [ ] meeting by talking informally with your Division Chiefs, perhaps beginning with those for Africa and the Near East, to get a clearer view of the processes involved in setting priorities, allocating resources, and tasking assignments. The Panel also hopes to get a better feel for the extent and degree of DDO and NFAC interchange in finished NFAC and Community intelligence production.

3. The Panel would welcome your suggestions on arrangements for these meetings.
